

A funky mix for cocktails

2401

Put Christmas and the cold snap on hold, the whole country is supposed to be gripped by Ashes Fever this winter so if you are glued to the action supporting our boys then Funkin's range of cocktail mixers are designed to help bowl you over.

Funkin cocktails are easy to make and remove all stress and mess from the process. Simply follow the four basic steps (1) get a glass full of ice (2) add the contents of the Funkin' mixer (3) add the spirit of your choice and (4) either stir in the glass or shake in a shaker to your hearts' content. So quick, you won't miss a ball. Created by bartenders, Funkin' is

used by top mixologists worldwide as well as by cocktail lovers at home. All Funkin mixers contain 100% natural fruit. Each individual

mixer is a perfectly balanced recipe which provides a consistent flavour and texture each and every time. RRP 99p. Funkin' cocktails are available locally at Waitrose, Selfridges, Sainsburys and Asda.
